D O from No 12048/31 07 to

Bangalore,
11th January 1909.

Dear Sir,

In reply to your D O No 1517 of the 7th instant, enquiring how the question of the extension of the Hiriyur town now stands, please see the enclosed copy of the Revenue Commissioner's letter No.2035 dated the 10th August 1908 to the address of the Secretary to Government, General and Revenue Departments; orders on which are still awaited

The allotment of Rs 10,000/- entered for the work in the current year's P W Budget has been resigned and there is no provision for it this year.

Yours Sincerely,

M. Matthan Esquire, B A ,
Under Secretary on duty with the Dewan.

Letter No 2035 dated 10th August 1908, from the Revenue Commissioner in Mysore, to the Secretary to Government, General and Revenue Departments

-- ------

I have the honor to submit herewith copy of letter No 54 dated 27th/28th July 1908, together with the enclosures in original from the Deputy Commissioner, Chitaldrug District, requesting sanction to the acquisi--tion of Survey Nos 73,74 and 75 of the Mykalurahalli Jodi Village in the Hiriyur Taluk for the shifting and extension of the Hiriyur town in lieu of Survey Nos 150, 155 and 156 the acquisition of which was sanctioned by Government in their Proceedings Nos R 5911-3/R M 186-07-2 dated 13th March 1908 and R 6458/R M 186-07-4 dated 6th April 1908 and to state as follows -

In the absence of a good sketch it is difficult to locate the position of the site (now selected) But from the details given in the letter and a reference to the Topo sheet the site is likely to be about one mile from the Taluk Cutcherry and more than two miles from the old town and Travellers' Bungalow and very inconvenient for people having wet lands on the southern side of the river It is therefore likely to be objected to by the majority of the town people and the chances of its attracting the whole of the population are very remote
